

## AWARD FEE FINDINGS AND DETERMINATION

This constitutes a determination of award fee earned by Lockheed Martin, Martin Marietta Manned Space Systems under Contract NAS8-36200 with the George C. Marshall Space Flight Center.

The Performance Evaluation Board, acting under the authority of MM 1150.1A, Charter 3-7, subject: Performance Evaluation Board for MSFC CPAF Contracts, and Management Announcement 1150.1A, Control Number 9-96, has completed its evaluation of the contractor's performance under Contract NAS8-36200 for the period April 1, 1996 through September 30, 1996.

The Board's assessment of the contractor's performance and its recommendation to the undersigned Fee Determination Official for the periodic evaluation is a numerical rating of 91.0 or an adjective rating of EXCELLENT and an award fee percent of 91.0.

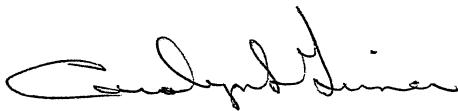

### FINDINGS

Upon a review of the Board's considerations in arriving at its recommendations and the contractor's response to the Performance Evaluation Board Report, I hereby find the EXCELLENT rating, to be a proper assessment of the contractor's performance for the stated period.

### DETERMINATION

The contract provides for a maximum award fee of \$105,097,997 for the period October 1, 1993, through September 29, 2001. Of the total award fee available, \$8,163,519, was applicable to the current evaluation period.

Based upon findings set forth above, I hereby determine that Lockheed Martin, Martin Marietta Manned Space Systems is awarded award fee pursuant to Article B.4., Contract NAS8-36200, in the amount of \$7,428,802 for the stated period.

## AWARD FEE FINDINGS AND DETERMINATION

This constitutes a determination of award fee earned by Lockheed Martin Manned Space Systems under Contract NAS8-00016 with the George C. Marshall Space Flight Center.

The Performance Evaluation Board, acting under the authority of MSFC Management Announcement, has completed its evaluation of the contractor's performance under Contract NAS8-00016 for the period October 1, 2000 through March 31, 2001.

The Board's assessment of the contractor's performance and its recommendation to the undersigned Fee Determination Official for the periodic evaluation is as follows:

Contract NAS8-00016 is in three parts:

Part 1: Production	91.4 Excellent rating
Part 2: MAF Operations and Maintenance	96.9 Excellent rating
Part 3: Friction Stir Weld	91.5 Excellent rating

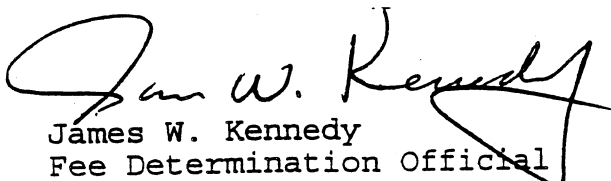

### FINDINGS

Upon a review of the Board's considerations in arriving at its recommendations and the contractor's response to the Performance Evaluation Board Report, I hereby find the EXCELLENT ratings for Parts 1, 2, and 3 to be a proper assessment of the contractor's performance for the stated period.

### DETERMINATION

Of the total award fee available, \$2,188,209 was applicable to the current evaluation period.

Based upon findings set forth above, I hereby determine that Lockheed Martin Space Systems is awarded award fee pursuant to Article B.6., for Part 1: Production \$1,370,693; Part 2: MAF O&M \$334,622; and, Part 3: FSW \$314,044 for a total award fee for Contract NAS8-00016 of \$2,019,360 for the stated period.
